

Burnham's School Supply Service

****2011-2012****

How does it work? Simply detach the bottom of this flyer and send it back to the school with the appropriate information and payment **no later than the last day of school.** The PTO has obtained lists directly from the classroom teachers of the supplies that they would like each student to have at the start of school. Your child's individual supplies will be packaged with their name and will be at school for the first day.

What are the costs? They are based on the regular retail prices at local merchants.

What if I choose not to participate? Simply purchase school supplies on your own using the list notes on the back of this form.

Your Name: _____

Phone Number: _____

Child(ren)'s name(s) and Grade entering in fall '11

Package Prices:

Kindergarten: \$10.00
1st Grade \$15.00
