

Program Safety Guidelines

- All 2020-2021 in-person programs will be held outdoors.
- During the program, all Teaching Artists, ASAP! Staff, Students and visitors* will be required to wear a face mask.
- During the program, all Teaching Artists, ASAP! Staff, Students and visitors* when possible will be positioned 6 feet apart outdoors and will not need to wear a mask. It will be mandatory for all Teaching Artists, ASAP! Staff, Summer Campers and families to wear a mask should they need to be in a proximity that is less than 6 ft apart, ie. to get supplies or ask for help from ASAP! Staff.
- Before arrival to the program, ASAP! will have you complete a Health Check-in Form. The temperature of Teaching Artists, ASAP! Staff, Student and visitors* will be checked upon arrival.
- Any Teaching Artists, ASAP! Staff, Student and visitors* that are not feeling well should not attend the program.
- ASAP! Will have extra masks and sanitizer at each program.
- If a program has bathroom facilities they will be cleaned prior to arrival. Cleaning wipes will be provided in bathrooms.
- Please familiarize yourself with [Executive Order 7BBB](#), regarding the state mandated travel policy. You will be asked to provide your recent travel history on the Health Check-in Form.

Rain Plan

- As rain date is planned and will be scheduled if the weather does not permit an outdoor program.

Other

- Any questions about our safety guidelines can be directed to Ali Psomas, Program Director, ali@asapct.org
