

CELEBRATING **20** YEARS

ANIMAL BOOKS

GRADES 3-5 TERRI TIBBATTS

Create your own animal books based on “bestiaries,” collections of moralized fables about actual or mythical animals. We will begin 2019 with the Year of the Monkey. Each week children will explore another zodiac animal and create enchanting story books using a wide variety of colorful materials and techniques.

TUESDAYS FEB 5, 12, 26 | 3:45-4:45 pm

Washington Primary School Art Room

ASAP! provides supervision and a healthful snack for WPS students before the program begins.

3 Sessions: \$45
