

White Memorial 40th Annual Family Nature Day Shirt Design Contest Entry Form

This summer White Memorial will be hosting its 40th Annual Family Nature Day! After the last few years, we are ready to make it a big one, and want to mark the occasion. We want to work with our community to create a t-shirt that depicts what inspires you about White Memorial. Think about all Alain and May White have given us, the beauty of the land, the adorable, slimy, and elusive wildlife, spring flowers, glorious old trees. Whatever it is that keeps you coming back! This is open to all ages, we want to see what the kids can come up with too!

We are looking to designs that include the following:

- **“40th Annual Family Nature Day” AND “White Memorial Conservation Center” or “White Memorial”** This can be incorporated into the art work, or presented as a border or header, but must be there somewhere.
- *For children, we will create a border stating the above information that can be placed around their artwork.
- Hand drawn artwork will need to be on an 8.5x11in piece of paper.
- These can be scanned and emailed to the address below, dropped off in the gift shop anytime we are open, or mailed to:
White Memorial Conservation Center
PO Box 368
Litchfield CT 06759
- Digital art should be emailed to kelly@whitememorialcc.org in jpeg form.
